This decision is in response to applicant's "Renewed Petition Under 37 CFR 1.181" filed 24 September 2002 in the United States Patent and Trademark Office (USPTO).

### **BACKGROUND**

On 13 August 2002, applicant was mailed a decision dismissing applicant's petition under 37 CFR 1.181 to withdraw the holding of abandonment in the present application. Applicant was afforded two months to file any request for reconsideration.

On 24 September 2002, applicant filed the present renewed petition under 37 CFR 1.181.

### **DISCUSSION**

Applicant's original petition was dismissed as applicant had failed to provide a declaration from an individual with firsthand knowledge of the purported refusal by the United States Postal Service (USPS) to accept the Express Mail mailing at issue. Applicant has presently filed a declaration from Ms. Sandi Jasper detailing her attempts to mail the papers by Express Mail on 19 November 2001 and the USPS refusal to accept said mailing. As such it is proper to grant applicant's renewed petition at this time.

### **CONCLUSION**

Applicant's renewed petition under 37 CFR 1.181 is **GRANTED**.

This application is being returned to the DO/EO/US for processing in accordance with this decision, namely, the mailing of a NOTIFICATION OF MISSING REQUIREMENTS
